CLARENCE E. DELISLE

This year the Annual Town Report is being dedicated to Clarence E. Delisle. A native of Westhampton, Clarence is the owner of the Westhampton Millworks. He was appointed by the Board of Selectmen to the position of Surveyor of Wood, Lumber and Bark on March 5, 1973 and is still serving in that capacity. He headed a group of volunteers some twenty years ago to dig out the foundation for the church, adding five rooms to that building. He also planned the four room addition to our Center School to meet our growing enrollment needs of the 1960's.

He was very active in the Men's Club, serving as it's President from 1977 to 1978. He was instrumental in initiating steps toward a Kiwanis Club in town, which was chartered February 14, 1981 and served as Vice-President and also as it's President. Clarence was active in setting up and participating in the turkey shoots sponsored by the Men's Club and Kiwanis Club. Last year it was Clarence and other volunteers who moved our Blacksmith Shop Museum to its present location. This year it was Clarence again, with help from the Kiwanis Club, who installed new steps at the foot of the Town Hall.

These are but a few of the many projects Clarence has worked on over the years --- much more could be mentioned. He is always willing to help when help is needed.

On behalf of Westhampton's citizens, we wish to express our deep gratitude to Clarence in appreciation for all his time, energy and expertise he has continually committed to the development of our community.

REPORT OF THE BOARD OF SELECTMEN

As of July 1, 1981, the Board of Selectmen consisted of Stillman G. Brooks, Chairman; Normand F. Cloutier, Clerk, and David K. Bridgman. In October 1981, Normand Cloutier was elected President of the Hampshire County Selectmen's Association and is again serving on the Hampshire County Advisory Board.

In November, 1981 David Bridgman was elected President of the Massachusetts Selectmen's Association and appointed to the Local Government Advisory Committee. He also was appointed to the newly organized Massachusetts Interlocal Insurance Association and is a Trustee of the Massachusetts Municipal Association.

The board has had many meetings in preparation for the reconstruction of the second portion of Rt. 66. We met with each land owner and discussed land takings and any problems they felt they might have with the reconstruction. There were hearings with state and county officials held on site, at the town hall and at the DPW building in Northampton. We would also like to thank residents along Rt. 66 for their cooperation in this project.

We have also held hearings on the reconstruction of Stage Road. This road will be reconstructed from Easthampton Road to North Road. We would also like to thank these residents for their cooperation.

The Highway Department has had a busy year: resealing roads, finishing the corner on Montague Road and repairing many old bridges. They finished filling in the Northwest Road and installing guard rails. The crew also worked on repairing Tob Hill Road and Montague Hill Road.

The furnace which was installed in the Town Shed in August has saved the town roughly $1,000.00.

A big change in the town was the erection of the salt shed next to the Town shed. This will help keep the salt from penetrating into the ground.

The Highway Department crew has made a leveling paver for the spreading of blacktop. It has saved much time and received high praise from Superintendent Richard W. Tracy. The Town Shed has its own telephone - 527-0136. It also rings at the home of the superintendent. On behalf of the town, we would like to thank "Bill" and his crew for the work they have accomplished this year.

The Board of Selectmen has issued many licenses. We ask anyone who is running a business to check to see if a license is needed before the operation of your business.

In April of 1982 the board reorganized: David K. Bridgman, Chairman; Stillman G. Brooks, Clerk, and Normand F. Cloutier.

The following resignations were received with much regret:

Art Pichette	Board of Health
David Haines	Conservation Commission
Felix DeSantis	Conservation Commission
Lauris Fernald	Hampshire Regional School committee

The following people were appointed to fill the vacancies:

David Cole	Board of Health
Irving Geary	Conservation Commission
Richard I. Tracy	Conservation Commission
William Hogan	Hampshire Regional School Committee

At this time, we would like to thank all the members of all the Boards, elected and appointed, who have given an ever increasing amount of their time to the running of our town.

Respectfully submitted,

DAVID K. BRIDGMAN, Chm.
STILLMAN G. BROOKS
NORMAND F. CLOUTIER
Board of Selectmen

REPORT OF THE TOWN AUDITOR

I have examined the books and reports of the Town Clerk, the Tax Collector, and the Town Treasurer, which includes the general ledger, bank statements and town warrants for the fiscal year ending June 30, 1982.

Receipts and disbursements were in agreement with the town warrants and recorded properly. It is my opinion that the report of the treasurer accurately reflects the financial status of the Town of Westhampton.

Respectfully,

EVELYN D. BLAKESLEY
Town Auditor

Annual Report 1982

The Westhampton Zoning Board of Appeals conducted five hearings in 1982.

On January 25, the Board heard a variance request from Theodore Puc because he had insufficient road frontage for a building lot. This variance request was denied.

REPORT OF THE HISTORICAL COMMISSION

The efforts of your Historical Commission have centered around completion of the Blacksmith Shop Museum and making it available to everyone. This goal was accomplished when a grand opening was held on July 31, 1982 with 110 visitors in attendance. The Commission members wish to thank all those who gave so freely of their time and energy.

The Commission has also undertaken the task to preserve town documents which are of historical importance, some of which date from the late 1700's. Other ongoing tasks are: collecting oral histories, working with the Center School to acquaint children with the town's history, and compilation of information relative to the town's past.

The Commission's meetings are open to the public and are held on the third Tuesday of the month.

Respectfully submitted,

GALE WRIGHT, Chm. URENA BLAKESLEY, Secy.
CHERYL BOBALA DAVE GODDARD
ESTHER HOLWAY

REPORT OF THE CONSERVATION COMMITTEE

The past year we visited several sites that people were interested in putting in ponds. Only one of these has followed through on this so far. We held a public hearing for a pond by Almer (Bud) and Nancy Huntley. There were no objections and this project was approved.

Felix DeSantis resigned as of August 17 and Tom Dutkiewicz was named as the new chairman. Irving (Buddy) Geary was appointed to fill out Felix's term.

A public Hearing was held on Feb. 15, 1982 on Route 66, upper section pertaining to the drainage. A number of questions were raised and answered and conditions were set.

Tom Dutkiewicz stepped down from the committee at the end of our March meeting after serving for 6 years. Steve Holt's name was submitted to the Selectmen and he was appointed to the Committee in April. We reorganized in April with David Haines as chairman and Andrea Pichette as secretary. Then in early May, David resigned due to pressing business. Oscar (Bucky) Lorow was named as chairman and Rich Tracy was appointed to replace David. We meet on the fourth Wednesday of each month at 7:30 in the Town Hall.

Respectfully submitted,

OSCAR S. LOROW, Chairman

REPORT OF THE FIRE DEPARTMENT

Fiscal Year 1981-1982

This past year several new members were added to the Department, including Rick Tracy, Bud Geary, Lee Douchkoff and Tom Warren.

By far, the worst fire the Department had to contend was the barn owned by Dr. Kenneth Nichols, which was destroyed by fire on July 31, 1981. Easthampton, Southampton and Norwich Hill Fire Departments responded to our mutual aid call and we greatly appreciated their quick response.

Beginning January 1, 1982, a new state-wide smoke detector law became effective upon the sale or transfer of residential properties. This requires the installation of smoke detectors by the seller upon the sale or transfer of property.

Charles Kleeberg, and instructor for the County Training School, conducted a training session in Town on new ways of hose packing. Chuck, a former member of our Department, now resides in Hatfield and is a member of that town's Fire Department.

This past year, Wayne Buzzee was awarded a certificate for completing the six month course conducted by the Hampshire County Drill School.

Bud Geary and John Bridgman completed a LNG/LPG Firefighting Course held at the Mass. Firefighting Academy in Hopkinton. This program deals with those hazardous situations that any department may be called upon to deal with.

The Department held a joint fire drill with Southampton during the summer at the Hampshire Regional High School.

The following permits were issued this year:

Burning Permits	204
Power Burner & Storage Permits	10
Liquified Petroleum Gas Equipment Permits	1
Ambulance Assistance	4
Truck Runs	26

Respectfully submitted,

DAVID K. BRIDGMAN
Fire Chief and Forest Warden

REPORT OF THE MEMORIAL LIBRARY

The Westhampton Memorial Library had an exceptionally good year. We had an increase in our circulation of printed materials and also an increase in total persons using the Library. Total circulation was 8,548 printed materials an increase of 1,167 more than fiscal year 1981. Total persons taking out printed materials were 3,119, an increase of 395 over last year. As the Town of Westhampton grows so does the Library in all aspects except the building.

A Summer Reading Program was offered for children in grades 1 through 6. Thirty-four signed up and twenty-six received certificates. A total of 219 books were read and reported on during the 4-week period.

Films were shown mostly during the month of August which were borrowed from the Western Regional Library System. Also in the spring filmstrips were shown to the 1st and 2nd grades and to a local Day Care Center. The filmstrips belong to our own Library.

The Western Region Bookmobile supplimented our Library with books and records about every 8 or 9 weeks. Many Trustees and volunteers helped with this task. I wish to thank all of you who helped in any way.

Groups that used the Library this year were Parent Effectiveness Training Group, Personal Safety Curriculum Training Sessions, the Historical Commission, the Girl Scouts, the Cub Scouts and some 4-H Clubs.

The Friends of the Library had two projects this year. They had a book sale in the summer during the Blueberry Festival at the church. In the fall, the group worked putting together a new Westhampton Telephone Directory. The cover, a drawing of the Library, was sketched by a local artist, Mrs. Carolyn Bruneau. The Friends of the Library were also responsible for the entertainment for the Children's program and party. A special Thanks from the Trustees and the Librarian for all the work done by the friends.

Our weekly volunteers are Lori Blow, Jennifer Bishop, Amy Burhoe, Sheila Marks, and Troy Montague. Thank you, volunteers, for helping the Library.

Respectfully submitted,

LOUISE MONTAGUE
Librarian

REPORT OF THE RECREATION COMMISSION

During the fall months, Joe Jarmen conducted instructional sessions in soccer for 3rd and 4th graders and also coached the 5th and 6th graders who competed with teams from Holyoke. Adult volleyball was held at the Hampshire Regional on the first Friday of the months of October through May. Women's jazzercise classes, led by Alan Karp-Robinson, were offered biweekly at the town hall in the winter and spring months. John Bridgman and Bud Geary were at the Town Hall on Tuesday evenings from 5:30 to 7:00 to assist boys in grades 8 - 12 in basketball competition. Tom Dutkiewicz led basketball instruction on Saturday mornings for boys and girls in grades 3 and 4. Ralph Hancewicz provided 5th - 8th grade children a chance to participate in a Southampton basketball program. Adult basketball was held from 7 - 9 on Tuesday evenings at the Town Hall.

The girls' Hilltown Softball League did not form this year due to a lack of interest by girls in too many towns. Ed and Ginny Merriam led a combination softball - baseball instructional group of children from grades 1 - 4. Little League Baseball was coached by Bill Bruneau, Ralph Hancewicz, and Jerry Buzzee. Bruce Christenson, Bill Hogan and Dan Bishop coached the Pee Wee League team. A Westhampton men's team participated in the Easthampton Adult Softball League.

The Recreation Commission would like to express its appreciation to all those who have helped in providing leisure time activities for our townspeople.

The School Committee's request to use the classrooms in the lower floor of the church for the 1982-83 school year was granted and the School Committee voted to conduct one morning Kindergarten class with a reduction in the employment of the teacher, aide and custodian.

We would like to express our thanks to the excellent teaching staff, all the community volunteers, and all others that have helped in our school system.

Regular meetings of the Westhampton School Committee are held at 7:30 p.m. on the third Tuesday of every month at the Center School. Anyone wishing to discuss school matters with the Committee is welcome to attend.

Mrs. Lydia Omasta	Kindergarten Aide (part-time)
Mr. Donald Fox	Custodian

Based upon the distribution of pupils recorded as of October 1st, the costs for the operation of the Central (Superintendent's) Administrative Office are to be shared by the six (6) cooperating school systems as follows:

	1980-81	1981-82	1982-83
Chesterfield	5.9%	5.4%	6.1%
Goshen	4.2	4.7	4.2
Hampshire Regional	45.8	44.6	44.6
Southampton	26.4	26.9	26.5
Westhampton	7.4	7.2	7.7
Williamsburg	10.3	11.2	10.9
	100.0%	100.0%	100.0%

At the close of the 1980-1981 school year, this office was moved from the Haydenville Center School to Hampshire Regional High School in Westhampton. The move was undertaken as a means to reduce administrative expenses through the elimination of a shared rental fee which was rapidly approaching $9,000.00 per year. Although two classroom spaces were lost in the move, the Region's educational program was not affected owing to the gradual decline in students over the last several years.

During the 1981 session of the Massachusetts General Court, several new statutes of importance relating to education were written into law. Among them were the following:

1. Chapter 24 enables a regional school committee to delay the adoption of its annual budget until 45 days prior to the earliest member town meeting.

2. Chapter 62 requires school bus drivers to activate their red four-way hazard warning lights (simultaneous turn signal lamps) when approaching a stop to load or discharge students. While in the process of loading or discharging students, bus drivers shall activate their red **alternating** flashing signal lamps. Use of the alternating flashing lights is prohibited at any other time.

3. Chapter 134 permits school committees to accept grants or gifts for educational purposes and to disburse the same for such purposes.

4. Chapter 339 authorizes a town (which accepts the provision of the act) to anticipate the receipt of fees charged to users and to use such amounts to offset a portion of actual expenses in making appropriations.

5. Chapter 460 permits parents or guardians of a student to inspect that student's school records regardless of the age of that student.

6.Chapter 471 specifies that towns acting on appropriations for educational costs, shall vote on the total amount (bottom line) of appropriations requested and shall not allocate appropriations among accounts of place any restriction on such appropriations. However, non-binding monetary recommendations to increase or decrease certain line items may be made.

7. Chapter 744 returns a limited but qualified degree of fiscal autonomy to regional school committees. (See the Superintendent's Report to the Hampshire Regional School District for details.)

Prior to the advent of "Proposition 2½" the elected membership of the School Committee was charged with the responsibility of determining the quality of education which would be offered at public expense to the youth of the community. Beginning in Fiscal 1982, however, the citizens of the Commonwealth decided that such an awesome responsibility should rest instead upon the collective shoulders of those who participate at annual town meetings. This being the case, I earnestly urge all voters to give serious and thoughtful consideration to the recommendations of the School Committee as expressed through its budget request and to act upon the request in a manner reflecting the importance to which this community has traditionally held the future of its children.

Respectfully submitted,

DONALD J. BUSS
Superintendent of Schools

REPORT OF THE CENTER CEMETERY

Work at the cemetery this past year involved the usual raking of leaves during the months of October and November.

The spring time work involved of raking and resetting a number of old stones that had fallen during the winter months.

Our annual cemetery meeting was held at Philip Norris's house on April 23. Some new members were voted into the association. The committee voted to put up a new fence in front of the cemetery from the vault to the main driveway. I purchased the lumber for the committee and put the new fence up during the month of May. The Westhampton Boy Scouts painted the fence. All the members of the committee wish to thank the Boy Scouts for their help. Another new section of lots will be worked on during the summer months.

There were six burials and two new foundations installed.

Respectfully submitted,

JOHN A. WARREN
Cemetery Caretaker

REPORT OF THE HUMAN SERVICE LIAISON

When one of my friends was surprised there was a human services liaison and I had that position, it was rather disconcerting. The position was created as a link between Westhampton and the Hampshire County office of Human Services located in the Court House.

In case of personal, family or community concerns, there are many resources (such as support groups) to contact for help. Please let me know if I can be of assistance. Tel. 527-6670.

Respectfully submitted,

LYDIA C. OMASTA

REPORT OF THE SANITATION INSPECTOR

We had nine sanitation inspections and no problems resulted.

Respectfully submitted,

ERNEST A. DELISLE

REPORT OF THE GAS INSPECTOR

During the period of July of 1981 to July of 1982, two gas permits were issued at $5.00 each.

Respectfully submitted,

JOSEPH A. AUGER
Gas Inspector
